USE OF OUTDOOR (LED DISPLAY) SIGN

Category: Operational

Approved: May 30, 2007

Revised:

Hours of Operation

The sign may be illuminated during the hours the Library is open or in the event of a community emergency. The brightness of the sign and the LED display shall be adjusted so the sign is readable but not intrusive to the residential character of the neighborhood.

LED Display

The LED display shall be used to list only Library information and events. Flashing, moving, rotating or intermittently lighted displays are prohibited.

All planned displays are to be pre-approved by the Library Director.
