COME CELEBRATE MUSIC...

January 19, Americana

Chris Allen and The Guilty Hearts w/Walkin' Cane

Enjoy good pop songs—some new and some favorites—in an Americana setting when these outstanding musicians come together. They're coming on five strong and they appear regularly at area clubs, so you may already be a fan.

February 16, Jazz Up Ensemble

This talented trio plays it all—jazz, American Songbook, Bossa Nova, Afro Cuban, pop and folk music. Energetic sax, double bass and drums come together for a performance you won't want to miss and one that will stay with you.

March 29, Traditional Chinese Melodies Cleveland Chinese Music Ensemble

Six talented musicians play their favorite New Year and tea house melodies, including both ancient and modern pieces, on traditional wind, string, and percussion instruments such as the pip and guzheng. Guest vocalist Xue "Snow" Yu's performance includes a 1,000-year-old song.

April 26, Classical Music Amethyst String Trio

Two violinists and a cellist dedicated to the power of beautiful string music perform a variety of classical melodies. They are among Cleveland's most active musicians and this special performance will prove why.
