Rocky River Public Library Receives Libraries Lead with Digital Skills Microgrant

Rocky River Public Library was one of ten Ohio libraries to be awarded a microgrant through Grow with Google's *Libraries Lead with Digital Skills* and American Library Association initiative. The Library has found patrons of all ages, educational backgrounds, and economic levels often have a low comfort level with the tools needed for seeking employment. We have staff available to write and provide feedback on patron resumes and cover letters in one-on-one sessions, as well as offering guidance in job searching as requested. Call 440.333.7610 ext 5501 to schedule your own resume help session.
