January 17: Consumer Reports (Library Resources Spotlight Kickoff)

In 2018, there will be six events highlighting free library resources offered at Rocky River Public Library. The series kick off will start with the Computer Breakfast Series highlighting Consumer Reports. The library offers you access to ratings, reviews, expert buying advice, product comparisons, consumer user reviews, product video clips, and more.

February 21: Consumer Electronics Show Recap

The Consumer Electronics Show every year in Las Vegas is the place to learn about new technology. Discover what new technology is on the horizon for 2018.

March 21: Macro Photography

Macro photography is the art of taking close-up pictures that reveal details which cannot be seen with the naked eye. For example, while we can see the fly on the wall, our eyes aren't equipped to make out the fine details of the hairs on its face. **Deb Ward from Dodd Camera** will talk about how to create macro photography with your digital camera.

April 18: Keeping It Private: A Discussion About Data and the Internet

In this interactive session, we will learn some common (and a few uncommon) truths and myths about what kinds of data are left behind (and collected/used) when using the Internet from **Daniel Ayala, Information Security and Privacy Leader at Proquest**. Also discussed will be ways you can protect your own data as you use technology daily. Real-world questions will be key to the learning, so please bring your thoughts and concerns along with you.
